Some very good reasons to join VATE:

- VATE members also belong to the Australian Association for the Teaching of English (AATE) and benefit from partnerships forged with organisations in the community.
- VATE represents members on statewide education and curriculum panels and reference groups and seeks input from members to ensure that the voices of English teachers are heard.
- VATE provides a full calendar of professional development activities each year. Four digital newsletters per annum keep members up-to-date with what's happening in the profession.
- VATE provides an extensive range of resources via the VATE bookshop in Collingwood and online links. Members receive our bookshop catalogue.
- VATE publications canvass the theoretical, socio-political and pedagogical questions that invigorate members of the profession.
- There are three editions of *Idiom* and three editions of *English in Australia* published each year.
- VATE has branches in several regions so that members can be involved without having to travel to Melbourne.
- VATE's Conference Room at the Carringbush Business Centre is perfect for faculty meetings and staff development days. Special rates for members. Delicious catering provided in-house.
- VATE's Tailor Made PD can be arranged for faculty groups on just about any topic you need, including VCE English studies, VELs, ICT, and special focus sessions, for very reasonable fees. Whole day, half day, after school bookings available.

Join VATE and become a part of an Australia-wide and international network of English educators.
