

VICTORIAN ASSOCIATION FOR THE TEACHING OF ENGLISH

2017 VCE Online Student Revision Lectures English, EAL and Literature

An exciting new series of Student Revision Lectures has been developed by VATE for VCE English, EAL and Literature students across the state. As an alternative to regional and rural student revision days these lecture recordings can be accessed on any computer and mobile device once they have been purchased from the VATE website. You can watch these in the classroom for extra revision or give access to each student to revise in her/his own time. Each lecture is presented by an experienced VCE teacher and covers the key aspects of the text/s, task or course.
